*Thanks to the Searles-Bohs family for inspiration. To the tune of "Simple Gifts"*

We give thanks for the bounty of the rich fertile earth, **C**  
For the fruits and flowers we gather from the land, **Dm - G - Dm - G**  
For the love in this circle of family and friends, **C**  
For the strength that flows from life-giving hands. **Dm - G - F - C**

When generosity is ours, **C**  
We live each day with a bounteous heart, **C - Am - F - G**  
And we share with kindness along our way **C**  
All the blessings we find in the gift of this day. **Dm - G - F - C**
