

## **Still and Always With Me** © 2010, Cynthia R. Crossen

I've burrowed a tunnel from one forgotten corner, **Eb - C**

Taken a pathway across sharp stones of sorrow, **Eb - C - Eb**

Entered a gateway through a waterfall of tears **C - F - Dm**

I must walk through, **G**

And I cry, and cry and cry, **C - Bb - F**

And cry for all the sadness in this world, **C - Bb - F**

And though I'm still blind, inside I find **C - Bb - F - C**

There's some peace of mind, **Am - F**

Something is kind and **Am - F**

And listening, listening, **Em - F**

Still and always with me. **C - G - F - C**

What I have worshipped turns and attacks me, **Eb - C**

What I have worshipped tears my soul from my body, **Eb - C - Eb**

No redemption, I only hate myself, **C - F**

When I can't take anymore, I break down **Dm - G**

And I cry, and cry and cry, **C - Bb - F**

And cry for all the sadness in this world, **C - Bb - F**

And though I'm still blind, inside I find **C - Bb - F - C**

There's some peace of mind, **Am - F**

Something is kind and **Am - F**

And listening, listening, **Em - F**

Still and always with me. **C - G - F - C**

From as far back as I can remember, **Eb - F - C**

After all my tears have been poured out, **Eb - F - G**

There is comfort & kindness **Bb - Eb - Ab**

Still and always with me, **Bb - C**

And all I am wanting is love's true haven, **Eb - C**

All I am offering is opening and turning back **Eb - C - Eb**

To face my grieving torn asunder self **C - F - Dm**

One more time, one more time, **F - Dm - F - Dm**

And one more time **G**

I cry, and cry and cry, **C - Bb - F**

And cry for all the sadness in this world, **C - Bb - F**

And though I'm still blind, inside I find **C - Bb - F - C**

There's some peace of mind, **Am - F**

Something is kind and **Am - F**

And listening, listening, **Em - F**

Still and always with me. **C - G - F - C**
