

Take Me in My Brokenness © 1992, 2012, Cynthia R. Crossen

Take me in my brokenness, **A - F#m - D**

And the ones I love, feeling broken, **F#m - D**

Take us up on burning bright wings **A - (walkdown) - F#m**

Into your Vast Heart, **E**

And help us rise into your skies **E - (D base)**

And live inside your open wide heart. **C#m - D**

Take me in my suffering, **A - F#m - D**

And the ones I love who are suffering, **F#m - D**

Take us up into your loving arms and hold us, **A - (walkdown) - F#m - E**

And whisper in our tender hearts **E - (D base)**

How you love us just as we are, **C#m - D**

And help us see that we are free **E - (D base)**

Even with these broken hearts...**C#m - D**
