Many of these songs were written for my family, and this album was a gift to them in 2001. On some of these recordings I was joined by family: (*) with my sister Joane Rylander, (**) with Joane and my son Jesse Crossen, and (***) with Jesse and produced by my husband Ken Crossen as part of the CommunityMusicProject.org. Many thanks to Fiddlin' Al McCanless for fiddle on *Never Come Again*.
