

This Is What I Know © 1997 Cynthia R. Crossen

This is what I know
We are here to be a light,
Blazing from the heart of love,
For each other shining,
Star and river, tree and sun,
We are woven into one,
Love is singing to our soul,
This is what I know.

Blazing from The Heart of Love, For each other shin- ing.

This is what I know,
We are here to be a light,
Blazing from the heart of Love,
For each other shining.

Star and river, tree and sun,
We are woven into one,
Love is singing to our soul,
This is what I know.
