Firefly, dance with me, sparkling among the trees,  
Firefly, dance with me, sparkling among the trees,

The meaning of the message remains a mystery,  
Hidden in the rhythm of the firefly's flickering,  
The meaning of the message remains a mystery,  
Hidden in the rhythm of the firefly's flickering,

Twilight darkens, night wind is gently blowing,  
Phantom lanterns, drawn to the secret of her glowing,

Love,

Love.
