G C Em D
When you go to sleep, dear, don't forget your shoes,
Am Bm - D
Slip them on, pull the covers tight,
Em G Em Bm
In the fairies' ballroom, you may wear them through,
Am D
Dancing in your dreams all night.

Chorus:

G Em
Waiting for a goodnight kiss,
Am7 C
Close your eyes, and make a wish,
G Em
Dive into the sea of dreams,
Am7 C
Nothing here is what it seems.

You could be a seagull, or a skipping stone,
Slipping down or soaring high,
You could be a princess, ruling from her throne,
Or a pirate sailing the skies. **Chorus**

Em Bm C
When the day's dark worries come
Em Bm F
To haunt you in your sleep,
Em Bm C Am
Turn your monsters into friends,
F C G F - C - G
Ask them what they seek, mmmmm. **Chorus**

G C Em D
When you go to sleep, dear, don't forget your shoes....
