

Winter Solstice Chant © 2009 *Hope Wilder* **key of Dm**

In the heart of the dark and lonely winter, find the peace that you seek,
In the heart of the dark and lonely winter, find the peace that you seek,

Darkness, fall upon me, hold me in my dreams,
Darkness, fall upon me, hold me in my dreams,

Ooo, ooo, ooo, ooo ooo ooo ooo.

Ooo, ooo, ooo, ooo ooo ooo ooo.
