I am a pilgrim, ink on my hands,

Em G Bm C

The brink of wisdom is calling me on,

Em G C

And if rock gives way to sand,

G D Am

Hold me as I'm falling,

C G D Am

Sweet waters, carry me down,

C G D Am

Sweet flowing waters, carry me down,

C G D - D Am

Oh sacred waters, carry me home,

Am G - C - G - D

Carry me home.

I am a dreamer, with sparkling eyes, My heartbeat follows a different drum,

As the starry skies spiral down, Sing me into slumbers. **Chorus**

D Am

Fate, I know that my fate must be sealed,

Am C - G C G D

Can't help but wanna feel Free of all my fears,

D Am

Faith, I gotta have faith to believe

Am F E7

The faith I've found is living hee-ere,

Inside of me, inside of me.

I'm diving deeper, seeking the pearl,

The whirlpool seizes me, Neptune's true daughter,

As the tide pulls me under, Hold me in your waters. **Chorus**
