We shall lift each other up

We shall lift each other up into the morning,

Shining love across the skies,

We shall lift each other up on wings of glory.

When you fall to loss or pain,

With hopelessness to ground you,

A sister drops to join you there,

C D
And wraps her arms around you,

G C G
She will sing you songs of hope,

G C G D
She will listen and her knowing will surround you,

C G C G
She will stay until you mend, 'Til you both can rise again

C G D G
To the freedom of the blue skies all around you. **Chorus**

When the one who breaks the force

Of the wind is growing worn,

She will slip behind you,

Where you lead us on in turn,

And the lift of every wing

Makes us sing and gives us strength upon the journey,

And the beauty of the dawn gives us hope to carry on,

And the wisdom of our song is life's returning. **Chorus**
