

**You Can Come** © 2013 Cynthia Rylander Crossen

**Em Am Em - Am**  
You can come however you are,  
**Em Am Em - Am**  
You can bring whatever you bring,  
**Em Am Em - Am**  
Come as you are, carry your heart,  
**Em Am Em - Am - Em - Am**  
Whatever it is, it's alright,

**D Em**  
Inside this calm,  
**D Em**  
There is a constant sea,  
**D Em B7**  
Here is the balm you need, and . . . **Chorus**

**D Em**  
Wide as the sky,  
**D Em**  
Deep as the deepest sea,  
**D Em B7**  
Here you can fly -- free, and . . . **Chorus**

**D Em**  
Here you are whole,  
**D Em**  
Here you can just be,  
**D Em B7**  
Inside your soul, this peace... and . . . **Chorus**
