

**As I Dance With You** © 2015, Cynthia R. Crossen

As I dance with you, lead me through this world, **A - D**

With my eyes closed, and my heart unfurled, **A - E7**

On this shining way, with my hand in yours, **A - D**

As I dance with you, lead me through this world, **A - E7 - A**

Ah - ah - ah, ah - ah, ah - ah, **C - G - Am - Em - F - G - A**

Ah - ah - ah, ah - ah, ah - ah, **C - G - Am - Em - F - G - A**

As I dance with you, though I cannot see, **A - D**

I trust your grace is leading, **A - E7**

On this shining way, in this mystery, **A - D**

Where my heart is free, you are leading me, **A - E7 - A**

Feet on the silvery sand, arms to the sky, skipping the waves, **C-G-Am-Em-F-G-A**

Twirling the dawn into light, spinning the sky, kicking the spray, **C-G-Am-Em-F-G-A**
