

Put a Bottom on Your Cup © 2013, Cynthia R. Crossen

Put a bottom on your cup, on your cup, **G**
So that you can fill it up, fill it up, and **G - D**
Drink down to the last delicious drop, **G - G7 - C**
The sweetness of the life you've got, life you've got! **D - G - C - G**

If you do, you will receive, will receive, **G**
All and everything you need, all you need, **G - D**
And an overflowing cup you'll pass around, **G - G7 - C**
To share the bounty you have found, you have found! **D - G - C - G**
